

IMPORTANT NOTICE

Ref: RG/19/STD/059
To: **All Students**
From: Registry
Date: 15 November 2019
Subject: **Off-campus On-line Learning and Assessment Arrangement Due to Uncertain Traffic Conditions**

In view of the ongoing uncertain and adverse traffic conditions for travelling to Campus, we are suspending face-to-face classes on the Campus for the rest of this semester and making teaching and learning accessible online. This will enable students to stay away from campus while at the same time completing their courses and assessments. If on-line delivery is not possible for the course, it will be postponed to a later date or a format that the teacher will work out with their students.

Individual instructors will announce detailed arrangements for course delivery and assessment on Moodle. Examinations in December and early January will be moved online, replaced by alternative forms of assessment or postponed to a later date in Second Semester. Details will be announced later. Please be mindful to the announcement on Moodle and by email.

Should you have any enquiries regarding the above matter, please feel free to contact us at 3702-4388 or via email at registry@cihe.edu.hk.
